

EASY IN - EASY OUT – EASY STEPS

Easy Steps – In every situation

Taking the puppy to dog obedience school – The little one can get in and out of the car without joint damage due to jumping. Taking the dog for a walk in the woods – Getting in and out of the car is made convenient and effortless. Older dogs also enjoy a day out – Your old boy can climb in and out of

the car easily and without pain. Easy Steps enables you to protect not only your dog's joints and health, but also your own back as you no longer have to strain to lift your dog in and out of the car. The compact, extremely rugged and easy-to-use dog ramp makes it easier to get out and about with

your four-legged friend. Thanks to the clever telescopic design, Easy Steps also fits in the trunk along with a 4pets dog-box. Easy Steps can be operated with one hand so that you can have control of your dog in any situation.

Made in Switzerland

The Easy Steps dog ramp has been designed by Swiss engineers and is manufactured in Switzerland. "Made in Switzerland" synonym for highest quality and durability.

Surface

Rubber safety feet

Telescopic design

Slide Brake Control System

Surface

Due to its high-tech honeycomb structure borrowed from bridge-building technology the Easy Steps dog ramp can support a weight of up to 100 kg (220 lbs) despite its lightweight construction. And with its non-slip bone-motif pads and high-grip ridged surface, it provides a safe footing for your dog in any kind of weather

Rubber safety feet

The ramp has large rubber feet at each corner. They provide a firm grip on any type of ground. At the same time, they protect your car from scratches. It's not only good for your dog but also protects your car.

Telescopic design

The Easy Steps dog ramp slides together neatly and compactly to a size small enough to fit in any car trunk. It is so simple it can be done with just one hand, so the other hand remains free to hold your dog. A further unique technical feature is the integrated [Slide Brake Control System](#).

Lightweight

The Easy Steps dog ramp weighs only 5.4 kg (11.9 lbs), which makes it easy and comfortable to handle.

High quality

The Easy Steps dog ramp is made of high-quality materials. All parts are weather-proof, extremely durable and recyclable. The dog ramp can be cleaned easily with a pressure washer or garden hose. Plus it goes without saying that all components used are free of toxic substances.
